XXL®

XXL® Black Connect

HIGH-SPEED HDMI® flat cable with Ethernet

HIGH-SPEED HDMI® flat cable with superior technology. The additional data channel (Ethernet channel) enables the connection of internet-enabled AV components without the use of an additional network cable. During the Silver-Gap-HPOCC® manufacturing process monocrystalline gaps between the cast HPOCC® copper are filled with pure silver. This produces an exceptionally seamless structure of the internal conductor, which exhibits ideal properties for lossless transmission of signals with a 10.2 Gbps and 340 Mhz bandwidth. Triple-shielded and separated internal conductors also ensure optimal signal transfer for resolutions greater than 1080p. 24-carat goldplated contacts connect these high-quality cables to various devices such as LCD TVs and BluRay players with almost zero resistance. The exterior of the XXL® Black Connect cable also reflects its high technological standard: The durable black insulation and solid metal contacts emphasise the exceptional quality of this premium 5-star product.

Features

- ✓ 3D TV
- ✓ Full HD – Video
- ✓ Deep Color - 30/36/48-bit
- ✓ ARC – Audio Return Channel
- ✓ Deep Color™ 30/36/48-bit Pixel color depth
- ✓ HDMI CEC Automated A/V Control
- ✓ fourfold shielding
- ✓ High-quality fabric sheathing
- ✓ Solid full-metal plug
- ✓ 24 ct gold plated plug
- ✓ HPOCC® - monocrystalline copper
- ✓ HDMI-Ethernet-Channel

Technical Data

Inner conductor material	HPOCC® - monocrystalline copper
Cable sheathing	fabric sheath
Shielding quantity	fourfold shielding
Cable geometry	Flat
Plug type	Straight
Plug material	Encapsulated full-metal plug

Designation	Art. No.	Unit	Colour
Black Connect 75	13410	0.75 m	black
Black Connect 120	13411	1.2 m	black
Black Connect 170	13412	1.7 m	black
Black Connect 220	13413	2.2 m	black
Black Connect 320	13414	3.2 m	black
Black Connect 510	13415	5.1 m	black
Black Connect 750	13417	7.5 m	black
